

The diagram shows a rectangular puzzle sheet with a grid of puzzle pieces. Three nested rectangles are drawn: an outermost red line representing the gross format, a middle green line representing the net format, and an innermost blue line representing a 10 mm safety margin from the cutting line. On the left side, three arrows point from the text labels to these respective lines.

**format brutto 440x317 mm**

**format netto 420x297 mm**

**bezpieczny margines (10 mm od linii cięcia)**
